Discover your own private escape with this charming cabin in the desirable Tollgate recreational area. Thoughtfully designed for comfort and outdoor living, this well-maintained property features a large open kitchen, full bath, bedroom and an inviting loft that can comfortably accommodate multiple beds—perfect for family getaways or hosting friends. Surrounded by a beautiful, park-like acre of open grassy space and additional 10 acres of towering pines. Complete with a fire pit for relaxing evenings under the stars. Enjoy the outdoors year-round from the large, covered front and back porches, ideal for taking in the peaceful mountain setting. Additional highlights include a generous workshop/garage with plenty of room for storage and gear, plus a separate drive-thru snowmobile garage that can house at least six snowmobiles. Whether you're looking for solitude, adventure, or a bit of both, this rare mountain gem offers the perfect blend of comfort, function, and wilderness charm.
